

STONE MAINTENANCE TECHNICIAN COURSE

Apr. 2-3, 2014, TOLEDO, OH

Location:

BETCO CORPORATION – PLANT 2
2821 NEBRASKA AVENUE
TOLEDO, OH 43607
(419) 241-2156

Course: 2 days - 8:00 AM to 4:30 P.M.

Instructor: Wm R. Griffin

Format: This comprehensive "Hands-On" course covers proper procedures, chemicals and equipment needed to identify, clean, maintain and restore all common types of stone, marble, granite, ceramic, concrete, and terrazzo flooring found in commercial and residential properties. Stone and tile cleaning and maintenance are profitable add-ons for janitorial and carpet cleaning companies. In most areas, billing rates for tile work start at \$1.50 per square foot and go to as high as \$15.00 to \$25.00 per foot for granite restoration. This is income that is available to most cleaners for the asking with new and existing customers. This course involves at least 40% hands on student involvement, come prepared and dressed to clean and polish stone flooring. Dress is casual. Be prepared to clean, burnish, scrub and refinish different types of flooring. This course is intended to prepare you for the IICRC Certification Exam. Cost of the exam is \$65.00 to be paid at the time of the exam. Payment by check, money order or credit card is accepted.

Cancellations: If you register for a course and can not attend, contact CCS at (206) 824-4434 to cancel your registration. Our refund policy offers a full refund fifteen (15) days or more prior to seminar. If it is less than fifteen (15) days, no refund is made, however, a credit will be issued that can be applied to a future seminar or other merchandise, or an alternate attendee may attend in your place.
